Character Motivation Chart [40 pts.]

1. List all four MAIN characters in Parts I and II (Faber, Beatty, Mildred, Montag).
2. Think about what motivates them. What do they want? What drives them to behave the way that they do?
3. Note that a character may have more than one motivation, and that their motivation may change over time.
4. Once you selected each character's motivation(s), provide 3 pieces of textual evidence to support your argument.
5. Practice integrating the textual evidence into your own sentences. Be specific. Analyze!

See the example below for how you should format each part of the assignment:
